Positive Behaviour for Learning (PBL)
WESS has been a PBL school for several years. Staff and selected parents have undergone a variety of training sessions over this time. Further training will be given this week for staff from the PBL Committee to assist our school to move to the next level within this framework. PBL ensures that all students have the social and emotional skills needed to succeed in school and beyond. PBL assists schools to teach students expected social behaviours. It is an effective strategy for preventing school-based behaviour problems including violence and bullying.

State Schools Combined Choral Concert 2016
Will be held on Tuesday September 13, commencing at 6.30pm. The Choral Concert will again be held at the Warwick West SS hall as per previous years. Everyone is welcome to attend this concert.

Enjoy your week.

Curriculum Updates - Parent/ Teacher Interviews/ PBL Survey Winner

Parent/Teacher Interviews were held in Term 1 and will be held at the end of Term 3. We are introducing a new online system for booking in for Parent Teacher Interviews. Students will bring home a letter on Wednesday that will outline the process. Educating your child is the responsibility of the school, the individual and the home. We are offering interviews again to discuss the best possible learning conditions for your child to progress toward attaining his/her potential. Please take the time to look for this note and meet with your child’s teacher.

The Positive Behaviour for Learning (PBL) Committee put out a survey to all parents asking for parental opinion about how our behaviour process was going at Warwick East SS. We analyse this data and use it to guide our decision making and teaching processes. All surveys that were received by Friday 26th August went into a random draw for two tickets to the movies. We received 37 in total. The winner was Marie Jobson. Thank you to all of the parents who responded.

Yours in learning, Amelia Sutton, Acting Deputy Principal/Master Teacher
