**Our school strategies are on track to meet or exceed our targets.**

During 2015, we have focused on maximising the benefits of this funding for our students. After reviewing our *Great Results Guarantee* agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our strategies to ensure that every student succeeds.

Strategies implemented include:

- Review of student performance data at 5 weekly intervals to adjust curriculum, resources and pedagogy.
- Use of a short cycle data collection process in reading to assess students' current performance, teach to the needs of the students and re-assess to monitor.
- P-2 teachers released for planning days to develop curriculum consistency in Early Years Precinct.
- Employment of a Teacher Aide to assist in P-2 area focussed on embedding school adopted reading strategies – BIG 6.
- Employment of a teacher to continue weekly Playgroup and Pre-Prep sessions as part of transition program – Getting Ready for School.
- Development of ICP's for relevant students.
- Purchase of literacy resources used through focussed reading sessions.
